02 · FEATURES

Everything built in, nothing rented

Every capability below is part of the platform by default — no premium modules, no per-user unlock fees. Local hosting, full control, and unlimited usage where applicable.

- Track and manage all your cars and assign drivers
- Maintenance, mileage (km) and GPS tracking
- Tires and batteries
- Violations and license renewals
- Periodic maintenance
- Cost reports per vehicle

03 · WHY ANTA

Offline security. Online intelligence.

AntA Car is hosted on your own resources and keeps working when the internet doesn't. When you need analytics, remote access or integration, switch online — on your terms, never as a condition of the software working at all.
