02 · FEATURES

Everything built in, nothing rented

Every capability below is part of the platform by default — no premium modules, no per-user unlock fees. Local hosting, full control, and unlimited usage where applicable.

- Daily operations management
- Driver and employee portals with feedback and ratings
- Automated escalations
- GPS tracking
- Complete maintenance module, workshop operations and warehouses
- Damaged and spare parts section
- Reminders and workflows for license expiry, renewals and maintenance
- Cost reports per vehicle and across the fleet

03 · WHY ANTA

Offline security. Online intelligence.

AntA Fleet is hosted on your own resources and keeps working when the internet doesn't. When you need analytics, remote access or integration, switch online — on your terms, never as a condition of the software working at all.
