EDITION 2026

01 · OVERVIEW

From job request to end of service — one workflow.

AntA HR handles documents, assets, renewals, ATS, onboarding, vacation planning and the digital archive — all in one workflow. Owner-controlled: data stays on your premises, no per-seat licenses for every employee.

02 · FEATURES

Everything built in, nothing rented

Every capability below is part of the platform by default — no premium modules, no per-user unlock fees. Local hosting, full control, and unlimited usage where applicable.

- Document Creator
- Employee Assets Book
- Renewal workflows
- Workplace Hub
- Applicant Tracking System (ATS), hiring and onboarding
- Employee Digital Archive
- Vacation planner, communications and document management

03 · WHY ANTA

Offline security. Online intelligence.

AntA HR is hosted on your own resources and keeps working when the internet doesn't. When you need analytics, remote access or integration, switch online — on your terms, never as a condition of the software working at all.
